# IMM Formula®

## What Is It?

IMM Formula® is a blend of concentrated botanical extracts and thymus extract for supporting immune system health.\*

## Features Include

- *Astragalus membranaceus* extract and *Ligustrum lucidum* extract, Chinese herbs used for centuries to support immune health and to provide potential support for liver and kidney health.\*
- *Echinacea angustifolia* extract, enhancing the activity of various immune system cells and stimulating the production of molecules that also act to support healthy immune cell responses.\*
- Thymus extract, supporting the functioning of the thymus gland, one of the immune systems' key organs.\*

## Uses For IMM Formula®

**Support for Healthy Immune System Function:** *Astragalus membranaceus*, *Echinacea angustifolia*, and *Ligustrum lucidum* activate defense system cells. Thymus extract supports the activity of the thymus gland, a critical component of the immune system.\*

## What Is The Source?

This formula includes *Astragalus membranaceus* extract (root) (8:1), *Ligustrum lucidum* extract (root) (5:1), *Echinacea angustifolia* extract (root) standardized to contain 4.0% echinacosides, and thymus extract, derived from a pasture-fed, pesticide-free bovine source.

## Recommendations

Pure Encapsulations recommends 2-4 capsules per day, in divided doses, before meals.

## Are There Any Potential Side Effects Or Precautions?

If pregnant or lactating, consult your physician before taking this product. According to the German Commission E monograph for echinacea, people shouldn't take echinacea if they have an autoimmune illness. Those who are allergic to flowers of the daisy family should not take echinacea.

## Are There Any Potential Drug Interactions?

At this time, there are no known adverse reactions when taken in conjunction with medications.
