

BOSWELLIA AKBA

5-LOXIN® PLANT EXTRACT

Description

Boswellia AKBA contains 5-LOXIN® a clinically studied boswellia extract providing ten times as much AKBA as typical boswellia extracts. AKBA (3-acetyl-11-keto-beta-boswellic acid) has been identified as one of the most active phytonutrients in Boswellia serrata. Clinical studies have examined 100 mg (1 capsule) daily of 5-LOXIN® over as little as 7-days, making it a convenient, fast-acting product.
