

MOTILPRO

ADVANCED NUTRITIONAL SUPPORT COMPLEX

Description

MotilPro is a unique combination of nutrients, including 5-HTP and ginger. Provides pyridoxal 5' phosphate (activated vitamin B6) and 5-hydroxytryptophan (5-HTP). 5-HT receptors play a role in the function of the colonic migrating motor complex. With high potency ginger extract standardized to contain 5% gingerols. Providing free-form acetyl-L-carnitine specifically for contribution of acetyl groups.
