## Featured Articles

### [INVERMECTIN IS SHOWING PROMISE AGAINST COVID INFECTION](#)

**Potential COVID-19 medication found among tapeworm drugs**

A group of medications long prescribed to treat tapeworm has inspired a compound that shows two-pronged effectiveness against COVID-19 in laboratory studies, according to a new publication appearing online in the journal *ACS Infectious Disease*.

### **MOLYBDENUM: TREATMENT OF IRON-RESISTANT ANAEMIA AND ARTHRITIC JOINT PAIN**

In the last few decades, there has been a resurgence in interest in the use of dietary supplements to treat diseases in humans, and molybdenum has the potential to be used therapeutically. In humans, dietary molybdenum has been shown to treat iron-deficiency anaemia and it may treat joint pain in arthritis. It has been proposed that the anti-anaemic and tentative anti-arthritic properties of molybdenum are because it is increasing the activity of one or more mammalian molybdoenzymes

## Product Focus

### **NEW PRODUCT LAUNCH**

### **MOLYBDENUM LIQUID**

We are pleased to announce the launch of a new [Pure Bio Product - Molybdenum Liquid 15ml](#)

Pure Bio's Liquid Molybdenum is prepared in a purified water base. Each drop contains 200mcg of molybdenum.

The bottle will provide 375 drops.

Molybdenum supports sulphur amino acid metabolism, which prevents the build-up of sulphites and toxins in the body.

**This product is suitable for vegetarians and vegans**

Recommended Dosage

Take 1 drop daily in water with food, or under the tongue, or as directed by your healthcare practitioner.

Contents: one drop provides

Molybdenum (as sodium molybdate)	200mcg
Purified water	
other ingredients: citric acid	

**ORDER NOW:**

[Molybdenum Liquid - 15ml - £15.98](#)

To order a sample phial of Molybdenum liquid for your Pure Bio test kit (at £1.50 each), simply call us on 01403 730342.

(please note: this replaces the current phial in your test kit for Molybdenum, which has been discontinued)

## Latest Pure Bio News

### EXPANDED RANGE OF UK-SOURCED 100% PURE SUPPLEMENTS FROM PURE BIO

Due to the ever-increasing import regulations and costs, we have been working hard over the last few months to increase our range of UK manufactured supplements, in order to extend our range of competitively-priced products, whilst maintaining the highest quality and purity you have come to expect from Pure Bio.

We are pleased to announce that we will be introducing our UK manufactured range gradually over the coming months, so please be sure to check our newsletter regularly for our product launches and updates.

This month we are launching [Pure Bio Molybdenum Liquid](#). Please see above for full details.

### \*\*\*\*NEW RANGE\*\*\*\* ALCOHOL FREE HERBAL TINCTURES

In response to a growing demand from our customers, we are pleased to announce the introduction of a new Pure Bio range of ALCOHOL FREE herbal tinctures to complement our existing range of herbal tinctures. Initially, our range of Alcohol free tinctures will be available based on our most popular herbs, as shown on the [attached list](#), with the alcohol free option highlighted, but will be expanded as demand dictates.

Alcohol free tinctures are particularly useful for patients who may be recovering from an addiction or who don't wish to use alcohol for religious or cultural reasons or simply would prefer to use alcohol free products.

PLEASE NOTE: OUR NORMAL TINCTURES WILL ALWAYS BE OFFERED TO YOUR PATIENTS IN THE FIRST INSTANCE UNLESS THEY SPECIFICALLY REQUEST THE ALCOHOL FREE VERSION.

As all Herbal Tinctures are restricted products, only practitioners can view or order them from our website (when logged in as a practitioner). Your patients must telephone or email their orders to us to buy these products.

Please do let us know if you would like us to add further herbal tinctures to the Pure Bio alcohol free range. Your feedback is appreciated. Thank you.
