Featured Articles

[**CANDIDA CAUSES MEMORY LOSS AND POSSIBLY ALZHEIMER'S**](#)

A new study published in Nature Communications reveals that *Candida albicans* - a fungus found in the gut, mouth and genital tract - can cause memory problems and brain abnormalities that resemble those characteristic of Alzheimer's Disease.

The new research shows that the fungus can enter the brain, trigger an inflammatory response and impair memory. Importantly, the infection leads to the formation of abnormal structures in the brain, and these share similarities with amyloid plaques - a hallmark of Alzheimer's Disease.

Product Focus

NEW PRODUCT LAUNCH

Pure Bio Krill Oil

We are pleased to announce the launch of a new Pure Bio product - [Krill Oil 500mg - 60 capsules](#).

[Pure Bio's Krill Oil capsules](#) are derived from Antarctic krill - a zooplankton crustacean offering a naturally unique balance of omega-3 and omega-6 fatty acids, phospholipids and antioxidants. Specific to krill oil is an omega-phospholipid complex that is rich in EPA and DHA. The phospholipid content of the oil incorporates a profile that closely resembles that of human brain phospholipids. As a result this complex easily crosses the blood brain barrier.

The capsule also contains astaxanthin - a non-toxic carotenoid with antioxidant properties.

Taking omega-3 supplements seems to be useful for PMS, but you may be better off going for [Krill Oil](#) rather than fish oil to get these beneficial fatty acids. In one study, Krill oil - which comes from tiny shrimp-like crustaceans found at the bottom of the Antarctic ocean - outperformed fish oil for improving breast tenderness, bloating, joint discomfort and feelings of stress, irritability and depression. Moreover, the krill oil group also took fewer painkillers around the time of their period compared to the fish oil group.

PURE BIO KRILL OIL:

- * Certified sustainable seafood MSC
- * Contains no artificial additives, preservatives, sugar or salt
- * Gluten, lactose and soy free

[Special Note](#)

May contain traces of crustacean proteins

[Recommended Dosage](#)

1-2 capsules daily, or as directed by your healthcare practitioner. Do not exceed the stated dose.

[Contents](#)

Krill Oil (Euphausia superba) 500mg

providing

Marine phospholipids 225mg

Total Omega-3 Fatty Acids 125mg

EPA 60mg

DHA 35mg

Astaxanthin 55mcg

Gelatin capsule (gelatin, glycerine, sorbitol, water)

[ORDER NOW: Pure Bio Krill Oil 500mg - 60 capsules - £19.80](#)

PLEASE NOTE: This new Pure Bio Krill Oil replaces Krill-Plex in your test kit. Please remove Krill-Plex from your test kit as this product has been discontinued.

To order a new Krill Oil sample for your test kit (at (£1.50 each) simply call us on 01403 730342

Forthcoming Seminars

New Seminars for 2019/20

[ICAK-UK presents:](#)

The ***NEWLY FORMATTED*** Fundamentals of Applied Kinesiology - a FIVE-WEEKEND accredited Course of foundational material, approved by the International College of Applied Kinesiology - ICAK.

WHEN: COMMENCES SEPTEMBER 2019

VENUE: GATWICK HILTON HOTEL, SOUTH TERMINAL, GATWICK AIRPORT

LECTURER: TRACY S GATES, DO, DIBAK

This course is an exciting new opportunity to learn the fundamentals of Applied Kinesiology (AK). The course focuses initially on muscle testing skills and builds on a monthly basis to look at all aspects of visceral, metabolic and stomatognathic dysfunction. The course will allow you to integrate AK easily and progressively into your existing practice.

Click [here](#) for full details and booking form.

(please note that these courses are only open to practitioners with a minimum 3-year undergraduate degree in a medically oriented profession, eg medical doctor, dentist, chiropractor, osteopath, physiotherapist, etc)
