Featured Articles

[COCONUT OIL WORKS BETTER THAN ANTI-ANXIETY DRUGS \(WITHOUT THE SIDE EFFECTS\)](#)

A study published in the
Experimental and Therapeutic
Medicine journal showed that

pure virgin coconut oil had a much greater success rate in treating stress-related symptoms than a widely-prescribed anxiety medication called Diazepam, when tested on groups of mice. And, while Diazepam can cause side-effects such as memory problems, drowsiness, nausea and blurred vision, there are no risks associated with coconut oil use. Even better, coconut oil acts as a preventative to protect from neurological damage, among its other health benefits.

Viridian's Organic Virgin Coconut Oil is a premium quality product made by hand in the Philippines. The coconut milk expressed from the freshly harvested coconuts is fermented for 24-36 hours. During this time, the water separates from the oil. The oil is then slightly warmed for a short time to remove moisture and is then filtered. The result is a clear coconut oil that retains the distinct scent and taste of the coconut

[HOW TO KICK THAT SUGAR HABIT AND KEEP HEALTHY](#)

[SUGAVIDA](#) Jaggery - so many health benefits AND it tastes good! Use it as an alternative to sugar in all your cooking/baking ...

Golden brown Jaggery, the less refined alternative to white sugar, is a powerful remedy just waiting to be used by you. Whether it is digestive issues, weight loss, respiratory problems, or anaemia, Jaggery has a role to play. SugaVida Jaggery can help reduce refined sugar addiction. Use it in drinks, sprinkle over food and add to your favourite recipes.

Thanks to its anti-inflammatory & immune-stimulating properties, SugaVida Jaggery (or Gur, as it is called in India) is renowned as a blood purifier and a means to improve immunity in general ...

Product Focus

NEW PRODUCT LAUNCH

Pure Bio Glucosamine & Chondroitin

Due to the many UK import regulations, it has become increasingly difficult to import Glucosamine & Chondroitin from our supplier, Pure Encapsulations, and we can no longer import this product (Glucosamine HCL & Chondroitin).

As Glucosamine & Chondroitin is one of our most popular products, we are pleased to announce the launch of our own brand product - [Glucosamine & Chondroitin 800mg - 90 capsules](#). This is the latest addition to our [full range of glucosamine-based products](#).

[Pure Bio Glucosamine & Chondroitin](#) is manufactured in the UK to the highest purity and quality standards, and comes in a 90 capsule pot size.

Glucosamine is an amino sugar produced within the body and is a key constituent in the formation of cartilage. Pure Bio's formula contains glucosamine sulfate, which is the most active form of glucosamine.

Chondroitin is produced naturally in the body, is found in cartilage and acts as a shock absorber. This product contains a superior quality source of marine chondroitin sulfate.

[Special Note](#)

Contains shellfish-sourced chondroitin

[Recommended Dosage](#)

1-2 capsules daily before meals, or as directed by your healthcare practitioner.

[Contents](#)

D-Glucosamine sulphate - 400mg

Chondroitin sulphate - 400mg

Other ingredients: rice flour, gelatin capsule shell

PLEASE NOTE: This new Pure Bio Glucosamine & Chondroitin product replaces the current version in your test kit. To order a replacement phial for your test kit (at £1.50 each), simply call us on 01403 730342

ORDER NOW:

[Glucosamine & Chondroitin 800mg - 90 capsules - £26.50](#)

Latest Pure Bio News

We would like to advise you that Pure Encapsulations have discontinued **COLLAGEN JS**. This product has been replaced by Pure Encapsulations [HAIR/SKIN/NAILS Ultra](#). In stock and available to order now.

[Hair/Skin/Nails Ultra - 60 capsules £40.80](#)

Please don't forget to remove your Collagen sample phial from your Pure Bio Test Kit. To order a replacement phial of Hair/Skin/Nails Ultra for your test kit (at £1.50 each), simply call us on 01403 730342 or email info@purebio.co.uk

Forthcoming Seminars

NEW SEMINAR ANNOUNCED FROM PURE BIO FOR 2019

BOOK NOW!

[ADVANCES IN METABOLIC DISCOVERY AND TREATMENT PROTOCOLS](#)

Following the success of our previous seminars, we are delighted to announce that **DR JOSEPH SHAFER, DC, DIBAK**, will be returning to the UK to present his latest seminar on how to use the **FitOmega (Alpha Omega)** range of diluted Phytotherapeutic products in your practice.

This is a very special weekend that will combine manual muscle testing and metabolic system challenges with *infrared* organ stimulation for diagnosis. Individual patient therapeutic protocols using the **Pure Bio and FitOmega** lines will be shown for optimal results.

WHEN: 6 & 7 April 2019

VENUE: Gatwick Hilton Hotel, South Terminal, Gatwick Airport

COST: £325 for the weekend

(To participate in the course, you must bring, or purchase, Alfa Omega test kits, substance challenge kits and 2 magnets, which are necessary for the practical workshops. Please see the [booking form](#) for full details.)

The FitOmega range of products are an incredibly powerful tool in reversing disease processes and a must-have tool for advanced thinking practitioners.

A 'not to be missed' weekend with clinical metabolic profiles never seen before!
